## About This Game

200% Mixed Juice! is the 10th Anniversary game of OrangeJuice, an old school RPG featuring a 200% mix of OrangeJuice characters.

At certain points in time and space, many fun worlds exist. Each world was created by a smart little fairy named Navi for the sake of the sleeping princess with nothing to do.

A world where you're able to experience a lively school life.

A world where you can see the skies crowded with airplanes.

A world that has fallen to ruin from endless wars...

It's time for the sleeping princess to wake up and start her adventures in those worlds.

## Features:

- Over 80 characters to do battle with
- Cutting-edge graphics to amaze your friends and neighbors with
- A stunning digital soundtrack
- Online multiplayer
